

Application for Membership

Relationships Australia Tasmania (RA Tas) is an Incorporated Association and as such is required to have a membership base. The members elect the Board and accept the annual report at an Annual General Meeting.

The Rules of Association govern the appointment of members to the association and require that an application for membership be presented to the Board by the Secretary of the Association for Board approval prior to the applicant being admitted to the association as a member.

The full Rules of Association and Annual Reports are available from the Hobart office. Annual reports are also available on the RA Tas website.

Members must agree to support the objects of RA Tas.

I agree to support the objects of Relationships Australia Tasmania and wish to apply for the following membership.

The objects of Relationships Australia Tasmania are:

- (a) To promote positive and respectful, interpersonal, family and community relationships, primarily in Tasmania, by every means that the Association may determine. The Association has no vested interest in maintaining unsatisfactory relationships.
- (b) To establish in such places, as the Association may determine, centres for providing expert help for all persons wanting assistance towards reaching personally satisfying resolutions of their difficulties in any of their relationships.
- (c) To provide services which will help to prepare people for and strengthen relationships and personal growth.
- (d) To establish standards and quality practices and training for service providers.
- (e) To institute research into matters relating to identified and emerging client needs and social issues and to be recognised as a pre-eminent authority in these matters.
- (f) To contribute to the development of the Governments' approach to the development of community support services.
- (g) To act in conjunction with or in co-operation with or to enter into any affiliation or alliance with or amalgamate in whole or in part with any other association having Objects compatible with the Objects of Association.
